LB 566 Introduced by Senator Karpisek; Create the Educational Technology Infrastructure Grant Program

Annotation: LB 566 appropriates all of the Education Innovation Fund to the Nebraska Department of Education to carry out the Educational Technology Infrastructure Grant program to local public school systems.

Status: Referred to the Education Committee, [Hearing on 3/19/2013](#)

[p. 11] (h) For fiscal year 2016-17 and each fiscal year thereafter, the Education Innovation Fund shall be allocated, distributed, after administrative expenses, ~~for~~ education purposes as provided by the Legislature. to local systems as defined in section 79-1003 as grants pursuant to the Education Technology Infrastructure Grant Program pursuant to section 2 of this act.

[pp. 12-13] Sec. 2. (1) The Education Technology Infrastructure Grant Program is created. For school fiscal year 2016-17 and each school fiscal year thereafter, the State Department of Education shall distribute amounts from the Education Innovation Fund pursuant to section 9-812 to local systems as defined in section 79-1003 for purposes of subsection (2) of this section annually on or before October 15. The funds shall be distributed pursuant to this section based on a pro rata share of the eligible costs submitted in grant applications pursuant to such subsection. (2) Local systems may apply to the department, on a form provided by the department, for base funds and matching funds to be spent on approved education technology infrastructure plans. The department by rules and regulations shall establish a procedure for publicizing and applying for such grants, granting or denying such applications, notification of the decision on each application, and awarding of grants. A local system receiving a grant shall receive one-

tenth of one percent of the funds available for the program as base funds plus a pro rata share of the remainder of such funds. Each eligible local system shall receive matching funds up to ten percent of the pro rata share of eligible costs submitted in the grant application. To be eligible for a grant under this section, a local system shall: (a) Include in its application an approved education technology infrastructure plan identifying needs for transitioning into a digital learning environment, including servers, network management systems, wireless and wired distribution of digital information, and digital devices; (b) Demonstrate in its application how it will provide funds from other sources for the approved education technology infrastructure plan greater than or equal to fifty percent of the matching funds received pursuant to this subsection; and (c) If a local system does not provide the necessary funds from other sources pursuant to subdivision (2) (b) of this section, the local system shall remit to the department an amount equal to the amount of matching funds received pursuant to this section. Local systems not complying with the requirements of this subdivision shall not be eligible for a grant from the Education Technology Infrastructure Grant Program in the following year. (3) Each local system receiving a grant under this section shall provide an accounting of the funds received pursuant to the grant, the funds required by subdivision (2) (b) of this section, and the total cost of the program on or before August 1 of the year following the receipt of such grant in a manner prescribed by the department, not to exceed one report per year.

NOTE: 79-1003 (27) **Local system** means a learning community for purposes of calculation of state aid for the second full school fiscal year after becoming a learning community and each school fiscal year thereafter, a unified system, a Class VI district and the associated Class I districts, or a Class II, III, IV, or V district and any affiliated Class I districts or portions of Class I districts. The membership, expenditures, and resources of Class I districts that are affiliated with multiple high school districts will be attributed to local systems based on the percent of the Class I valuation that is affiliated with each high school district.
