STANDARD CONDITIONS AND TERMS OF BID SOLICITATION AND OFFER Invitations to Bid and Contract Awards

It is the responsibility of the bidder to check the website for all information relevant to this solicitation to include addenda and/or amendments issued prior to the opening date. Website address: <http://www.das.state.ne.us/materiel/purchasing/purchasing.htm>

SCOPE- These standard conditions and terms of bid solicitation and acceptance apply in like force to this inquiry and to any subsequent contract resulting therefrom.

PRICES- Prices quoted shall be net, including transportation and delivery charges fully prepaid by the bidder, F.O.B. destination named in the Invitation to Bid. No additional charges will be allowed for packing, packages or partial delivery costs. When an arithmetic error has been made in the extended total, the unit price will govern.

EXECUTION- Bids must be signed in ink by the bidder on the State of Nebraska's Invitation to Bid form. All bids must be typewritten or in ink on the State of Nebraska's Invitation to Bid form. Erasures and alterations must be initialed by the bidder in ink. No telephone or voice bids will be accepted. Failure to comply with these provisions may result in the rejection of the bid.

FACSIMILE DOCUMENTS- The State Purchasing Bureau will only accept facsimile responses to Invitations to Bid on bids under \$25,000 and up to ten (10) pages. However, two party sealed bids containing facsimile pages are acceptable. No direct facsimile solicitation responses will be accepted for a commodity contract.

VALID BID TIME- Bids shall be firm for a minimum of sixty (60) calendar days after the opening date, unless otherwise stipulated by either party in the Invitation to Bid.

DISCOUNTS- Prices quoted shall be inclusive of ALL trade discounts. Cash discount terms of less than thirty (30) days will not be considered as part of the bid. Cash discount periods will be computed from the date of receipt of a properly executed claim voucher or the date of completion of delivery of all items in a satisfactory condition, whichever is later.

PAYMENT- Payment will be made by the responsible agency in conjunction with the State of Nebraska Prompt Payment Act 81-2401 through 2408. The State may request that payment be made electronically instead of by state warrant.

COLLUSIVE BIDDING- The bidder guarantees that the prices quoted have been arrived at without collusion with other eligible bidders and without effort to preclude the State of Nebraska from obtaining the lowest possible competitive price.

LUMP SUM OR ALL OR NONE BIDS- The State reserves the right to purchase item-by-item, by groups or as a total when the State may benefit by so doing. Bidders may submit a bid on an "all or none" or "lump sum" basis but should also submit a bid on an item-by-item basis. The term "all or none" means a conditional bid which requires the purchase of all items on which bids are offered and bidder declines to accept award on individual items; a "lump sum" bid is one in which the bidder offers a lower price than the sum of the individual bids if all items are purchased but agrees to deliver individual items at the prices quoted.

SPECIFICATIONS- Any manufacturer's names, trade names, brand names, information and/or catalog numbers listed in a specification are for reference and not intended to limit competition, but will be used as the standard by which equivalent material offered will be judged. The State Purchasing Director will be the sole judge of equivalency. The bidder may offer any brand which meets or exceeds the specification. When a specific product is required, the Invitation to Bid will so state. Any item bid is to be the latest current model under standard production at the time of order. No used or refurbished equipment will be accepted, unless otherwise stated.

ALTERNATE/EQUIVALENT BIDS- Bidder may offer bids which are at variance from the express specifications of the Invitation to Bid. The State reserves the right to consider and accept such bids if, in the judgement of the State Purchasing Director, the bid will result in goods and/or services equivalent to or better than those which would be supplied in the original bid specifications. Bidders must indicate on the Invitation to Bid the manufacturer's name, number and shall submit with their bid, sketches, descriptive literature and/or complete specifications. Reference to literature submitted with a previous bid will not satisfy this provision. Bids which do not comply with these requirements are subject to rejection. In the absence of any stated deviation or exception, the bid will be accepted as in strict compliance with all terms, conditions and specifications, and the bidder shall be held liable therefore.

SAMPLES- When requested, samples shall be furnished at the bidders expense prior to the opening of the bid, unless otherwise specified. Each sample must be labeled clearly and identify the bidders name, the Invitation to Bid number and the item number. Samples submitted must be representative of the commodities or equipment which would be delivered if awarded the bid. The State of Nebraska reserves the right to request samples even though this may not have been set forth in the Invitation to Bid. Samples not destroyed in testing will be returned at bidders expense, if requested, or will be donated to a public institution.

RECYCLING- Preference will be given to items which are manufactured or produced from recycled material or which can be readily reused or recycled after their normal use as per State Statute Section 81-15,159.

LATE BIDS- All bids will be time and date stamped upon receipt by the State Purchasing Bureau, and this shall be the official time and date of receipt. Bids received after the time of the bid opening will be considered late bids and will be returned to the bidder unopened. The State Purchasing Bureau is not responsible for late bids or lost requests due to mail service inadequacies, traffic or other similar reasons.

BID OPENING- Openings shall be public on the date and time specified on the Invitation to Bid form. It is the bidder's responsibility to assure the bid is delivered at the designated date, time and place of the bid opening. Telephone bids are not acceptable. A bid may not be altered after opening of the bids.

NO BID- If not submitting a bid, respond by returning the Invitation to Bid form explaining the reason in the space provided. Failure to respond to an Invitation to Bid may be cause for the removal of the bidder's name from the mailing list. NOTE: To qualify as a respondent, bidder must submit a "NO BID" and it must be received no later than the stated bid opening date and time.

AWARD- All purchases, leases, or contracts which are based on competitive bids will be awarded to the lowest responsible bidder, determined according to the provisions of State Statute Section 81-161, R.R.S. 1943. The State reserves the right to reject any or all bids, wholly or in part and to waive any deviations or errors that are not material, do not invalidate the legitimacy of the bid and do not improve the bidders competitive position. All awards will be made in a manner deemed in the best interest of the State.

BID TABULATIONS- Tabulations will be furnished upon written request. A self-addressed, stamped envelope which must include the agency and solicitation number must be enclosed. Bid tabulations will not be provided by telephone or facsimile. Bid files may be examined during normal working hours by appointment. Bid tabulations are available on the website at: <http://www.das.state.ne.us/materiel/purchasing/bidtabs.htm>

PERFORMANCE AND DEFAULT- The State reserves the right to require a performance bond from the successful bidder, as provided by law, without expense to the State. Otherwise, in case of default of the contractor, the State may procure the articles from other sources and hold the contractor responsible for any excess cost occasioned thereby.

IN-STATE PREFERENCE- A resident bidder shall be allowed a preference against a nonresident from a state which gives or requires a preference to bidders from that state. The preference shall be equal to the preference given or required by the state of the nonresident bidders. Where the lowest responsible bid from a resident bidder is equal in all respects to one from a nonresident bidder from a state which has no preference law, the resident bidder shall be awarded the contract.

NONDISCRIMINATION- The Nebraska Fair Employment Practice Act prohibits contractors of the State of Nebraska, and their subcontractors, from discriminating against any employee or applicant for employment, to be employed in the performance of such contracts, with respect to hire, tenure, terms, conditions or privileges of employment because of race, color, religion, sex, disability, or national origin. (State Statute Sections 48-1101 through 48-1125) The bidder guarantees compliance with the Nebraska Fair Employment Practice Act, and breach of this provision shall be regarded as a material breach of contract. The contractor shall insert a similar provision in all subcontracts for services to be covered by any contract resulting from this Invitation to Bid.

TAXES- Purchases made by the State of Nebraska are exempt from the payment of Federal Excise Taxes, and exemption certificates will be furnished on request. State and local taxes are exempt by State Statute Section 77-2704 (l) (m) R.R.S. 1943 and must not be included in the bid prices. Exemption by statute precludes the furnishing of State exemption certificates.

DRUG POLICY - Bidder certifies that it maintains a drug free work place environment to ensure worker safety and workplace integrity. Contractor agrees to provide a copy of its drug free workplace policy at any time upon request by the State.

GRIEVANCE AND PROTEST- Grievance and protest procedure is available by contacting the buyer. Protest must be filed within ten (10) days of award.

NE ACCESS TECHNOLOGY STANDARDS- Vendor agrees to ensure compliance with Nebraska Access Technology Standards. See website at:

State Statute 73-107 allows for a preference for a resident disabled veteran or business located in a designated enterprise zone. When a state contract is to be awarded to the lowest responsible bidder, a resident disabled veteran or a business located in a designated enterprise zone under the Enterprise Zone Act shall be allowed a preference over any other resident or nonresident bidder, if all other factors are equal.

Resident disabled veterans means any person (a) who resides in the State of Nebraska, who served in the United States Armed Forces, including any reserve component or the National Guard, who was discharged or otherwise separated with a characterization of honorable or general (under honorable conditions), and who possesses a disability rating letter issued by the United States Department of Veterans Affairs establishing a service-connected disability or a disability determination from the United States Department of Defense and (b)(i) who owns and controls a business or, in the case of a publicly owned business, more than fifty percent of the stock is owned by one or more persons described in subdivision (a) of this subsection and (ii) the management and daily business operations of the business are controlled by one or more persons described in subdivision(a) of this subsection. Any contract entered into without compliance with this section shall be null and void.

Therefore, if a resident disabled veteran or business located in a designated enterprise zone submits a bid in accordance with Neb. Rev. Stat. §73-107 and has checked "yes" requesting priority/preference to be considered in the award of this contract, the following will need to be submitted by the vendor within 10 business days of request:

STANDARD CONDITIONS AND TERMS OF BID SOLICITATION AND OFFER Invitations to Bid and Contract Awards

It is the responsibility of the bidder to check the website for all information relevant to this solicitation to include addenda and/or amendments issued prior to the opening date. Website address: <http://www.das.state.ne.us/materiel/purchasing/purchasing.htm>

SCOPE- These standard conditions and terms of bid solicitation and acceptance apply in like force to this inquiry and to any subsequent contract resulting therefrom.

PRICES- Prices quoted shall be net, including transportation and delivery charges fully prepaid by the bidder, F.O.B. destination named in the Invitation to Bid. No additional charges will be allowed for packing, packages or partial delivery costs. When an arithmetic error has been made in the extended total, the unit price will govern.

EXECUTION- Bids must be signed in ink by the bidder on the State of Nebraska's Invitation to Bid form. All bids must be typewritten or in ink on the State of Nebraska's Invitation to Bid form. Erasures and alterations must be initialed by the bidder in ink. No telephone or voice bids will be accepted. Failure to comply with these provisions may result in the rejection of the bid.

FACSIMILE DOCUMENTS- The State Purchasing Bureau will only accept facsimile responses to Invitations to Bid on bids under \$25,000 and up to ten (10) pages. However, two party sealed bids containing facsimile pages are acceptable. No direct facsimile solicitation responses will be accepted for a commodity contract.

VALID BID TIME- Bids shall be firm for a minimum of sixty (60) calendar days after the opening date, unless otherwise stipulated by either party in the Invitation to Bid.

DISCOUNTS- Prices quoted shall be inclusive of ALL trade discounts. Cash discount terms of less than thirty (30) days will not be considered as part of the bid. Cash discount periods will be computed from the date of receipt of a properly executed claim voucher or the date of completion of delivery of all items in a satisfactory condition, whichever is later.

PAYMENT- Payment will be made by the responsible agency in conjunction with the State of Nebraska Prompt Payment Act 81-2401 through 2408. The State may request that payment be made electronically instead of by state warrant.

COLLUSIVE BIDDING- The bidder guarantees that the prices quoted have been arrived at without collusion with other eligible bidders and without effort to preclude the State of Nebraska from obtaining the lowest possible competitive price.

LUMP SUM OR ALL OR NONE BIDS- The State reserves the right to purchase item-by-item, by groups or as a total when the State may benefit by so doing. Bidders may submit a bid on an "all or none" or "lump sum" basis but should also submit a bid on an item-by-item basis. The term "all or none" means a conditional bid which requires the purchase of all items on which bids are offered and bidder declines to accept award on individual items; a "lump sum" bid is one in which the bidder offers a lower price than the sum of the individual bids if all items are purchased but agrees to deliver individual items at the prices quoted.

SPECIFICATIONS- Any manufacturer's names, trade names, brand names, information and/or catalog numbers listed in a specification are for reference and not intended to limit competition, but will be used as the standard by which equivalent material offered will be judged. The State Purchasing Director will be the sole judge of equivalency. The bidder may offer any brand which meets or exceeds the specification. When a specific product is required, the Invitation to Bid will so state. Any item bid is to be the latest current model under standard production at the time of order. No used or refurbished equipment will be accepted, unless otherwise stated.

ALTERNATE/EQUIVALENT BIDS- Bidder may offer bids which are at variance from the express specifications of the Invitation to Bid. The State reserves the right to consider and accept such bids if, in the judgement of the State Purchasing Director, the bid will result in goods and/or services equivalent to or better than those which would be supplied in the original bid specifications. Bidders must indicate on the Invitation to Bid the manufacturer's name, number and shall submit with their bid, sketches, descriptive literature and/or complete specifications. Reference to literature submitted with a previous bid will not satisfy this provision. Bids which do not comply with these requirements are subject to rejection. In the absence of any stated deviation or exception, the bid will be accepted as in strict compliance with all terms, conditions and specifications, and the bidder shall be held liable therefore.

SAMPLES- When requested, samples shall be furnished at the bidders expense prior to the opening of the bid, unless otherwise specified. Each sample must be labeled clearly and identify the bidders name, the Invitation to Bid number and the item number. Samples submitted must be representative of the commodities or equipment which would be delivered if awarded the bid. The State of Nebraska reserves the right to request samples even though this may not have been set forth in the Invitation to Bid. Samples not destroyed in testing will be returned at bidders expense, if requested, or will be donated to a public institution.

RECYCLING- Preference will be given to items which are manufactured or produced from recycled material or which can be readily reused or recycled after their normal use as per State Statute Section 81-15,159.

LATE BIDS- All bids will be time and date stamped upon receipt by the State Purchasing Bureau, and this shall be the official time and date of receipt. Bids received after the time of the bid opening will be considered late bids and will be returned to the bidder unopened. The State Purchasing Bureau is not responsible for late bids or lost requests due to mail service inadequacies, traffic or other similar reasons.

BID OPENING- Openings shall be public on the date and time specified on the Invitation to Bid form. It is the bidder's responsibility to assure the bid is delivered at the designated date, time and place of the bid opening. Telephone bids are not acceptable. A bid may not be altered after opening of the bids.

NO BID- If not submitting a bid, respond by returning the Invitation to Bid form explaining the reason in the space provided. Failure to respond to an Invitation to Bid may be cause for the removal of the bidder's name from the mailing list. NOTE: To qualify as a respondent, bidder must submit a "NO BID" and it must be received no later than the stated bid opening date and time.

AWARD- All purchases, leases, or contracts which are based on competitive bids will be awarded to the lowest responsible bidder, determined according to the provisions of State Statute Section 81-161, R.R.S. 1943. The State reserves the right to reject any or all bids, wholly or in part and to waive any deviations or errors that are not material, do not invalidate the legitimacy of the bid and do not improve the bidders competitive position. All awards will be made in a manner deemed in the best interest of the State.

BID TABULATIONS- Tabulations will be furnished upon written request. A self-addressed, stamped envelope which must include the agency and solicitation number must be enclosed. Bid tabulations will not be provided by telephone or facsimile. Bid files may be examined during normal working hours by appointment. Bid tabulations are available on the website at: <http://www.das.state.ne.us/materiel/purchasing/bidtabs.htm>

PERFORMANCE AND DEFAULT- The State reserves the right to require a performance bond from the successful bidder, as provided by law, without expense to the State. Otherwise, in case of default of the contractor, the State may procure the articles from other sources and hold the contractor responsible for any excess cost occasioned thereby.

IN-STATE PREFERENCE- A resident bidder shall be allowed a preference against a nonresident from a state which gives or requires a preference to bidders from that state. The preference shall be equal to the preference given or required by the state of the nonresident bidders. Where the lowest responsible bid from a resident bidder is equal in all respects to one from a nonresident bidder from a state which has no preference law, the resident bidder shall be awarded the contract.

NONDISCRIMINATION- The Nebraska Fair Employment Practice Act prohibits contractors of the State of Nebraska, and their subcontractors, from discriminating against any employee or applicant for employment, to be employed in the performance of such contracts, with respect to hire, tenure, terms, conditions or privileges of employment because of race, color, religion, sex, disability, or national origin. (State Statute Sections 48-1101 through 48-1125) The bidder guarantees compliance with the Nebraska Fair Employment Practice Act, and breach of this provision shall be regarded as a material breach of contract. The contractor shall insert a similar provision in all subcontracts for services to be covered by any contract resulting from this Invitation to Bid.

TAXES- Purchases made by the State of Nebraska are exempt from the payment of Federal Excise Taxes, and exemption certificates will be furnished on request. State and local taxes are exempt by State Statute Section 77-2704 (l) (m) R.R.S. 1943 and must not be included in the bid prices. Exemption by statute precludes the furnishing of State exemption certificates.

DRUG POLICY - Bidder certifies that it maintains a drug free work place environment to ensure worker safety and workplace integrity. Contractor agrees to provide a copy of its drug free workplace policy at any time upon request by the State.

GRIEVANCE AND PROTEST- Grievance and protest procedure is available by contacting the buyer. Protest must be filed within ten (10) days of award.

NE ACCESS TECHNOLOGY STANDARDS- Vendor agrees to ensure compliance with Nebraska Access Technology Standards. See website at:

ARTICLE 2—TERM OF AGREEMENT

The Licensee's right to purchase under this Agreement shall remain in effect for two (2) years from the effective date unless terminated earlier as prescribed in Article 5—Termination; Cancellation. At the end of the initial and any succeeding term, the parties may negotiate a new term based on mutual agreement. ESRI may update the pricing no more than once per year and said increase may not be more than eight and one-half percent (8.5%). The term of any Software or Data licenses ordered through this Agreement shall be as stated in the License Agreement. ESRI may elect to not renew the Agreement should total orders for licenses, training, consulting, or custom application development not exceed fifty thousand dollars (\$50,000.00) per year or one hundred thousand dollars (\$100,000.00) per any two (2)-year period.

ARTICLE 3—PRODUCT OFFERINGS

ESRI may, at its sole discretion, discontinue offering any Software, Data, other product, or service included in this Agreement at any time upon reasonable written notice. Licensee may continue to use Software or Data via perpetual license, for those items not requiring an annual fee, should a discontinuation, cancellation or termination of this Agreement take place.

ESRI may, at its sole discretion, offer new Software, services, Data, Documentation, or larger quantity discount pricing by providing written notice. ESRI may require additional license terms prior to use of new Software or Data. Should additional license terms be required, ESRI and Licensee shall modify the License Agreement by mutual written agreement. Such notice shall become part of this Agreement upon (i) ordering Software, or services covered by the notice or (ii) thirty (30) days after Licensee's receipt of notice, whichever is sooner. Licensee may object in writing to the notice prior to the occurrence of items i or ii. Any objections or changes to the notice shall require written agreement of both parties.

ARTICLE 4—GRANT OF LICENSE AND SCOPE OF USE

The license grant and permitted uses specified in Article 3 and Article 4 of the License Agreement are restricted to use within the United States of America, its possessions, and territories. For Internet mapping Software, the server must be located within the United States of America, its possessions, and territories.

ARTICLE 5—TERMINATION; CANCELLATION

5.1 Termination

This Agreement may be terminated by either party upon forty-five (45) days' written notice. On termination of this Agreement, all accounts and payments will be processed according to financial arrangements set forth herein for performance rendered to the date of termination. After termination, Licensee shall no longer be permitted to place orders under this Agreement. ESRI, at its sole election, may terminate the right of any

Authorized Entity to participate in this Agreement in accordance with this provision without terminating the Agreement with respect to the governmental body or any other Authorized Entity.

5.2 Cancellation

Purchase orders, other than for the initial purchase, may be canceled by the Licensee in whole or in part, upon forty-five (45) days' written notice to ESRI. There will be no cancellation charge for canceled Software unless the Software has been delivered. If the Software has been shipped, the cancellation will require Licensee payment of return shipping costs.

5.3 Deficiency Action

Without prejudice to any other right or remedy available to either party, either party may terminate this Agreement provided the other party is given fifteen (15) days prior notice to cure a deficiency including but not limited to the following:

- a. If Licensee fails to pay any license fees to ESRI in accordance with the requirements of this Agreement; or
- b. If Licensee distributes ESRI Software, Data, and Documentation to any person or entity other than a Licensee; or

5.4 License Survival

Upon voluntary termination of this Agreement for the convenience of Licensee or expiration of this Agreement, Licensee may continue to retain and use such licensed ESRI Software, Data, and Documentation in accordance with the General License Terms and Conditions; Exhibit 1, Scope of Use; and any other license terms contained herein. Licensee may then directly and separately contract for Software updates, maintenance, and/or technical support service.

ARTICLE 6—NONAPPROPRIATION OF FUNDS; LIMITATION

6.1 Funding

Licensee may terminate this Agreement, in whole or in part, in the event funding is no longer available. Licensee's obligation to pay amounts due for fiscal years following the current fiscal year is contingent upon legislative appropriation of funds for this Agreement. Should said funds not be appropriated, Licensee may terminate this Agreement with respect to those payments for the fiscal years for which such funds are not appropriated. Licensee will give ESRI written notice thirty (30) days prior to the effective date of any termination. All obligations of Licensee to make payments after the termination date will cease. ESRI shall be entitled to receive just and equitable compensation for any authorized work which has been satisfactorily completed as of the termination date.  4. Move the Software in the licensed configuration to a replacement computer; and
 5. Distribute to third parties Software and any associated Authorization Codes required for use of a Deployment License.

Portions of Documentation supplied in digital format merged with other software and printed or digital documentation are subject to this License Agreement. Licensee shall include the following copyright attribution notice acknowledging the proprietary rights of Esri and its licensors: "Portions of this document include intellectual property of Esri and its licensors and are used herein under license. Copyright © [Licensee will insert the actual copyright date(s) from the source materials] Esri and its licensors. All rights reserved."

- e. *Font Components.* All fonts provided with a Product may be used with the authorized use of any Products. Esri fonts may also be separately used to print any output created by Products. Additional use restrictions for third-party fonts included with a Product are set forth in the font file itself.
- f. *Consultant or Contractor Access.* Subject to Section 3.1, Esri grants Licensee the right to permit Licensee's consultants or contractors to use the Products exclusively for Licensee's benefit. Licensee shall be solely responsible for compliance by consultants and contractors with this License Agreement and shall ensure that the consultant or contractor discontinues Product use upon completion of work for Licensee. Access to or use of Products by consultants or contractors not exclusively for Licensee's benefit is prohibited.

4.2 Uses Not Permitted. Except to the extent that applicable law prohibits or overrides these restrictions, or as provided herein, Licensee shall not

- a. Sell, rent, lease, sublicense, lend, time-share, assign, or use Products for Commercial ASP Use or service bureau purposes;
- b. Provide third parties with direct access to Products so that the third parties may use the Product directly, develop their own GIS applications, or create their own solutions in conjunction with the Product;

ARTICLE 5—TERM AND TERMINATION

- a. This License Agreement is effective upon acceptance. Licensee may terminate this License Agreement or any Product license at any time upon written notice to Esri. Upon termination of the License Agreement, all licenses granted hereunder terminate as well. Upon termination of a license or the License Agreement, Licensee will (i) stop accessing and using affected Product(s); (ii) clear any client-side data cache derived from Online Services; and (iii) uninstall, remove, and destroy all copies of affected Product(s) in Licensee's possession or control, including any modified or merged portions thereof, in any form, and execute and deliver evidence of such actions to Esri.
- b. **Breach by Esri.** The State may terminate the contract, in whole or in part, if Esri fails to perform its obligations under the contract in a timely and proper manner. The State may, by providing a written notice of default to Esri, allow Esri to cure a failure or breach of contract within a period of thirty (30) days (or longer at State's discretion considering the gravity and nature of the default). Said notice shall be delivered by Certified Mail, Return Receipt Requested or in person with proof of delivery. Allowing Esri time to cure a failure or breach of contract does not waive the State's right to immediately terminate the contract for the same or different contract breach which may occur at a different time.

ARTICLE 6—LIMITED WARRANTIES AND DISCLAIMERS

6.1 Limited Warranties. Except as otherwise provided in this Article 6, Esri warrants for a period of ninety (90) days from the date Esri issues the Authorization Code enabling use of Software and Online Services that (i) the unmodified Software

and Online Services will substantially conform to the published Documentation under normal use and service and (ii) media on which Software is provided will be free from defects in materials and workmanship.

6.2 Special Disclaimer. CONTENT, DATA, SAMPLES, HOT FIXES, PATCHES, UPDATES, ONLINE SERVICES PROVIDED ON A NO-FEE BASIS, AND EVALUATION AND BETA SOFTWARE ARE DELIVERED "AS IS" WITHOUT WARRANTY OF ANY KIND.

6.3 Internet Disclaimer. THE PARTIES EXPRESSLY ACKNOWLEDGE AND AGREE THAT THE INTERNET IS A NETWORK OF PRIVATE AND PUBLIC NETWORKS AND THAT (i) THE INTERNET IS NOT A SECURE INFRASTRUCTURE, (ii) THE PARTIES HAVE NO CONTROL OVER THE INTERNET, AND (iii) NONE OF THE PARTIES SHALL BE LIABLE FOR DAMAGES UNDER ANY THEORY OF LAW RELATED TO THE PERFORMANCE OR DISCONTINUANCE OF OPERATION OF ANY PORTION OF THE INTERNET OR POSSIBLE REGULATION OF THE INTERNET THAT MIGHT RESTRICT OR PROHIBIT THE OPERATION OF ONLINE SERVICES.

6.4 General Disclaimer. EXCEPT FOR THE ABOVE EXPRESS LIMITED WARRANTIES, ESRI DISCLAIMS ALL OTHER WARRANTIES OR CONDITIONS OF ANY KIND, WHETHER EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, WARRANTIES OR CONDITIONS OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, SYSTEM INTEGRATION, AND NONINFRINGEMENT OF INTELLECTUAL PROPERTY RIGHTS. ESRI DOES NOT WARRANT THAT PRODUCTS WILL MEET LICENSEE'S NEEDS; THAT LICENSEE'S OPERATION OF THE SAME WILL BE UNINTERRUPTED, ERROR FREE, FAULT-TOLERANT, OR FAIL-SAFE; OR THAT ALL NONCONFORMITIES CAN OR WILL BE CORRECTED. PRODUCTS ARE NOT DESIGNED, MANUFACTURED, OR INTENDED FOR USE IN ENVIRONMENTS OR APPLICATIONS THAT MAY LEAD TO DEATH, PERSONAL INJURY, OR PHYSICAL PROPERTY/ENVIRONMENTAL DAMAGE. LICENSEE SHOULD NOT FOLLOW ANY ROUTE SUGGESTIONS THAT APPEAR TO BE HAZARDOUS, UNSAFE, OR ILLEGAL. ANY SUCH USES SHALL BE AT LICENSEE'S OWN RISK AND COST.

6.5 Exclusive Remedy. Licensee's exclusive remedy and Esri's entire liability for breach of the limited warranties set forth in this Article 6 shall be limited, at Esri's sole discretion, to (i) replacement of any defective media; (ii) repair, correction, or a workaround for Software or Online Services subject to the Esri Maintenance Program, as applicable; or (iii) return of the license fees paid by Licensee for Software or Online Services that do not meet Esri's limited warranty, provided that Licensee uninstalls, removes, and destroys all copies of Software or Documentation; ceases using Online Services; and executes and delivers evidence of such actions to Esri.

ARTICLE 7—LIMITATION OF LIABILITY

7.1 Disclaimer of Certain Types of Liability—TO THE EXTENT PERMITTED BY LAW, IN NO EVENT SHALL ESRI OR ITS LICENSOR(S) BE LIABLE TO LICENSEE FOR COSTS OF PROCUREMENT OF SUBSTITUTE GOODS OR SERVICES; LOST PROFITS, LOST SALES, OR BUSINESS EXPENDITURES; INVESTMENTS; OR COMMITMENTS IN CONNECTION WITH ANY BUSINESS, LOSS OF ANY GOODWILL; OR ANY INDIRECT, SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES ARISING OUT OF OR RELATED TO THIS LICENSE AGREEMENT OR USE OF SOFTWARE, DATA, DOCUMENTATION, OR ONLINE SERVICES, HOWEVER CAUSED ON ANY THEORY OF LIABILITY, WHETHER OR NOT ESRI OR ITS LICENSOR(S) HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGE. THESE LIMITATIONS SHALL APPLY NOTWITHSTANDING ANY FAILURE OF ESSENTIAL PURPOSE OF ANY LIMITED REMEDY.

7.2 General Limitation of Liability—TO THE EXTENT PERMITTED BY LAW, IN NO EVENT WILL ESRI'S TOTAL CUMULATIVE LIABILITY HEREUNDER, FROM ALL CAUSES OF ACTION OF ANY KIND, INCLUDING, BUT NOT LIMITED TO, CONTRACT, TORT (INCLUDING NEGLIGENCE), STRICT LIABILITY, BREACH OF WARRANTY, MISREPRESENTATION, OR OTHERWISE, EXCEED THE AMOUNTS PAID TO ESRI BY LICENSEE FOR SOFTWARE, DATA, OR DOCUMENTATION PURSUANT TO THIS LICENSE AGREEMENT.

7.3 Applicability of Disclaimers and Limitations—Licensee agrees that the limitations of liability and disclaimers set forth in this License Agreement will apply regardless of whether Licensee has accepted the Software, Data, Documentation or Online Services or any other product or service delivered by Esri. The parties agree that Esri has set its prices and entered into this License Agreement in reliance upon the disclaimers and limitations set forth herein, that the same reflect an

allocation of risk between the parties (including the risk that a contract remedy may fail of its essential purpose and cause consequential loss), and that the same form an essential basis of the bargain between the parties.

ARTICLE 8—INFRINGEMENT INDEMNITY

8.1 Esri shall defend, indemnify, and hold Licensee harmless from and against any loss, liability, cost, or expense, including reasonable attorneys' fees, that Licensee incurs as a result of any claims, actions, or demands by a third party alleging that Licensee's licensed use of Software or Online Services infringe a US patent, copyright, or trademark, provided

- a. Licensee promptly notifies Esri in writing of the claim;
- b. Licensee provides documents describing the allegations of infringement;
- c. Esri has sole control of the defense of any action and negotiation related to the defense or settlement of any claim; and
- d. Licensee reasonably cooperates in the defense of the claim at Esri's request and expense.

8.2 If Software or Online Services are found to infringe a US patent, copyright, or trademark, Esri, at its own expense, may either (i) obtain rights for Licensee to continue using the Software or Online Services or (ii) modify the allegedly infringing elements of Software or Online Services while maintaining substantially similar functionality. If neither alternative is commercially reasonable, the license shall terminate, and Licensee shall cease accessing infringing Online Services and shall uninstall and return to Esri any infringing item(s). Esri's entire liability shall then be to indemnify Licensee pursuant to Section 8.1 and (i) refund the Perpetual License fees paid by Licensee to Esri for the infringing items, prorated on a five (5)-year, straight-line depreciation basis beginning from the initial date of delivery, and (ii) for Term Licenses and maintenance, refund the unused portion of the fees paid.

8.3 Esri shall have no obligation to defend Licensee or to pay any resultant costs, damages, or attorneys' fees for any claims or demands alleging direct or contributory infringement to the extent arising out of (i) the combination or integration of Software or Online Services with a product, process, or system not supplied by Esri or specified by Esri in its Documentation; (ii) material alteration of Software or Online Services by anyone other than Esri or its subcontractors; or (iii) use of Software or Online Services after modifications have been provided by Esri for avoiding infringement or use after a return is ordered by Esri under Section 8.2.

8.4 THE FOREGOING STATES THE ENTIRE OBLIGATION OF ESRI WITH RESPECT TO INFRINGEMENT OR ALLEGATION OF INFRINGEMENT OF INTELLECTUAL PROPERTY RIGHTS OF ANY THIRD PARTY.

ARTICLE 9—GENERAL PROVISIONS

9.1 Future Orders/Updates. Updates or released new Software, Data, Online Services, and Documentation may require additional or differing terms for use. For new or updated Software, Data, Online Services, and Documentation this License Agreement shall apply except that any revisions or changes defined in the then-current Exhibit I- Scope of Use, shall apply to the new or updated Software, Data, Online Services or Documentation. The then-current license terms may be found on Esri's Web site, provided with the quote for new licenses, or included with the deliverable Software, Data, Online Services or Documentation. Esri will notify the Point of Contact ("Licensee POC") by mail or email when license terms change.

Esri will place version updates or new Software, Data, Online Services, and Documentation on hold and will not release such to Licensee until Licensee POC requests from Esri POC, by mail or email, its release. Promptly upon receipt of such request, Esri will release version updates or new Software, Data, Online Services, and Documentation and will provide the then-current Exhibit I – Scope of Use to Licensee POC for Licensee's internal review. Upon receipt of the then-current Exhibit I- Scope of Use Licensee will have thirty (30) days to request Esri to make modifications, after which time if no modifications

are requested, Esri shall deem the then-current Exhibit 1- Scope of Use accepted by Licensee. For avoidance of doubt, Licensee shall comply with the then-current Exhibit 1- Scope of Use during the thirty (30) day review. Requested modifications to the then-current Exhibit 1- Scope of Use that the parties agree upon shall be reduced to a mutually agreed to written amendment to this License Agreement. Should Licensee reject the additional or revised terms of the then-current Exhibit 1- Scope of Use or the parties are unable to mutually agree on changes to update the license terms, then Licensee must uninstall and discontinue use of the new or updated Software, Data, Online Services, and Documentation. Esri will then resume placing a hold on new or updated Software, Data, Online Services, and Documentation. Licensee may continue use of prior versions of Software, Data and Documentation, provided Licensee complies with Section 8.3 above. For Online Services, Licensee may continue use in compliance with then-current applicable terms and conditions and applicable fees until Licensee identifies and implements an alternative solution and is able to migrate Licensee's owned data from Online Services.

Hot-fixes, patches and service packs (not a part of version updates or new Software, Data, Online Services, and Documentation) are not subject to hold and will be governed by the terms and conditions of this License Agreement as amended.

9.2 Export Control Regulations. Licensee expressly acknowledges and agrees that Licensee shall not export, reexport, import, transfer, or release Products, in whole or in part, to (i) any US embargoed country; (ii) any person on the US Treasury Department's list of Specially Designated Nationals; (iii) any person or entity on the US Commerce Department's Denied Persons List, Entity List, or Unverified List; or (iv) any person or entity or into any country where such export, reexport, or import violates any US, local, or other applicable import/export control laws or regulations including, but not limited to, the terms of any import/export license or license exemption and any amendments and supplemental additions to those import/export laws as they may occur from time to time.

9.3 Taxes and Fees, Shipping Charges. License fees quoted to Licensee are exclusive of any and all taxes or fees, including, but not limited to, sales tax, use tax, value-added tax (VAT), customs, duties, or tariffs, and shipping and handling charges.

9.4 No Implied Waivers. The failure of either party to enforce any provision of this License Agreement shall not be deemed a waiver of the provisions or of the right of such party thereafter to enforce that or any other provision.

9.5 Severability. The parties agree that if any provision of this License Agreement is held to be unenforceable for any reason, such provision shall be reformed only to the extent necessary to make the intent of the language enforceable.

9.6 Successor and Assigns. Licensee shall not assign, sublicense, or transfer Licensee's rights or delegate Licensee's obligations under this License Agreement without Esri's prior written consent, and any attempt to do so without consent shall be void. This License Agreement shall be binding on the respective successors and assigns of the parties to this License Agreement. Notwithstanding, a government contractor under contract to the government to deliver Products may assign this License Agreement and Products acquired for delivery to its government customer upon written notice to Esri, provided the government customer assents to the terms of this License Agreement.

Esri shall not assign, sublicense, or transfer Esri's rights or delegate its obligations under this License Agreement without Licensee's prior written consent, and any attempt to do so without consent shall be void, except that Esri may assign the licenses to another entity in the event Esri sells their rights to the Software or Data to that entity.

9.7 Survival of Terms. The provisions of Articles 2, 5, 6, 7, 8, and 9 of this License Agreement shall survive the expiration or termination of this License Agreement.

9.8 Equitable Relief. Licensee agrees that any breach of this License Agreement by Licensee may cause irreparable damage and that, in the event of such breach, in addition to any and all remedies at law, Esri shall have the right to seek an injunction, specific performance, or other equitable relief in any court of competent jurisdiction without the requirement of posting a bond or proving injury as a condition for relief.

9.9 US Government Licensee. The Products are commercial items, developed at private expense, provided to Licensee under this License Agreement. If Licensee is a US government entity or US government contractor, Esri licenses Products to

Licensee in accordance with this License Agreement under FAR Subparts 12.211/12.212 or DFARS Subpart 227.7202. Esri Data and Online Services are licensed under the same DFARS Subpart 227.7202 policy as commercial computer software for acquisitions made under DFARS. The commercial license rights in this License Agreement strictly govern Licensee's use, reproduction, or disclosure of Products. Licensee may transfer Software to any licensed government procuring agency facility to which computer(s) on which Software is installed are transferred. If any court, arbitrator, or board holds that Licensee has greater rights to any portion of Products under applicable public procurement law, such rights shall extend only to the portions affected.

9.10 Governing Law, Arbitration

Licensees in the United States of America, Its Territories, and Outlying Areas. This License Agreement shall be governed by and construed in accordance with the laws of the State of Nebraska without reference to conflict of laws principles.

9.11 Maintenance. Maintenance for qualifying Products consists of updates and other benefits, such as access to technical support, specified in Esri's current applicable maintenance policy.

9.12 Feedback. Esri may freely use any feedback, suggestions, or requests for Product improvements that Licensee provides to Esri.

9.13 Patents. Licensee may not seek, and may not permit any other user to seek, a patent or similar right worldwide that is based on or incorporates any Esri technology or services. This express prohibition on patenting shall not apply to Licensee's software and technology except to the extent that Esri technology or services, or any portion thereof, are a part of any claim or preferred embodiment in a patent application or a similar application.

9.14 Entire Agreement. This License Agreement, including its incorporated documents, constitutes the sole and entire agreement of the parties as to the subject matter set forth herein and supersedes any previous license agreements, understandings, and arrangements between the parties relating to such subject matter. Additional or conflicting terms set forth in any purchase orders, invoices, or other standard form documents exchanged during the ordering process, other than product descriptions, quantities, pricing, and delivery instructions, are void and of no effect. Any modification(s) or amendment(s) to this License Agreement must be in writing and signed by each party.

2.2 Provision of Subscription Online Services. For subscription Online Services, Esri will

- a. Provide Online Services to Licensee in accordance with the Documentation;
- b. Provide customer support in accordance with Esri's standard customer support policies and any additional support Licensee may purchase; and

2.3 Licensee's Responsibilities. Licensee shall be responsible for Named Users' compliance with this Agreement. Licensee and Licensee's Named Users or Anonymous Users (if applicable) are the only persons authorized to access Online Services through Licensee's accounts. Named Users' login credentials are for designated Named Users only and may not be shared among multiple individuals. Named Users' login credentials may be reassigned to new Named Users if the former users no longer require access to Online Services. Licensee and Licensee's Named Users are responsible for maintaining the confidentiality of Authorization Codes, Access Codes, Named Users' login credentials, or any other method that is provided that enables access to Online Services and for ensuring that unauthorized third parties do not access Licensee's account. Licensee will immediately notify Esri if Licensee becomes aware of any unauthorized use of Licensee's account or any other breach of security.

2.4 Prohibited Uses of the Online Services. In addition to the prohibited uses under the License Agreement, Licensee shall not (i) attempt to gain unauthorized access to the Online Services or assist others to do so; (ii) use Online Services for spamming, to transmit junk e-mail or offensive or defamatory material, or for stalking or making threats of physical harm; (iii) use Online Services to store or transmit software viruses, worms, time bombs, Trojan horses, or any other computer code, files, or programs designed to interrupt, destroy, or limit the functionality of any computer software, hardware, or telecommunications equipment ("Malicious Code"); (iv) mirror, reformat, or display Online Services in an attempt to mirror and/or make commercial use of Online Services except to the degree that Online Services directly enable such functionality; (v) share the client-side data cache derived from Online Services with other licensed end users or third parties; (vi) distribute the client-side data cache derived from Online Services to third parties; (vii) manually or systematically collect or scrape (screen or web scraping) Content from Online Services; (viii) use ArcGIS Online Map Services, Geocoding Services, or Routing Services in communication with any in-vehicle navigation system installed in a vehicle (this does not include portable navigation devices) or that provides real-time, dynamic routing to any device. For instance, these Services may not be used to alert a user about upcoming maneuvers (such as warning of an upcoming turn) or to calculate an alternate route if a turn is missed; or (ix) incorporate any portion of Online Services into a commercial product or service unless the commercial product adds material functionality to Online Services.

2.5 Evaluations. Esri may provide licenses to use certain Services for Licensee's internal evaluation purposes. Such licenses continue until the stated evaluation period expires or until Licensee purchases a subscription, whichever occurs first. IF LICENSEE DOES NOT CONVERT LICENSEE'S EVALUATION LICENSE TO A SUBSCRIPTION PRIOR TO EXPIRATION OF THE EVALUATION TERM, ANY CONTENT AND CUSTOMIZATIONS THAT LICENSEE UPLOADED OR MADE DURING THE EVALUATION TERM WILL BE PERMANENTLY LOST. IF LICENSEE DOES NOT WISH TO PURCHASE A SUBSCRIPTION, LICENSEE MUST EXPORT SUCH CONTENT BEFORE THE END OF LICENSEE'S EVALUATION PERIOD.

If reasonable under the circumstances, Esri will provide ninety (90) days' prior notice of any Online Service discontinuation or deprecation. Esri will attempt to support any deprecated APIs for up to six (6) months, unless there are legal, financial, or technological reasons not to support them.

2.8 If any modification, discontinuation, or deprecation of Online Service(s) causes a material, adverse impact to Licensee's operations, Esri may at its sole discretion attempt to repair, correct, or provide a workaround for Online Services. If a viable solution is not commercially reasonable, Licensee may cancel its subscription to Online Services, and Esri will issue a prorated refund.

2.9 Attributions. Licensee is not permitted to remove any Esri or Esri's licensors' logos or other attribution associated with any use of ArcGIS Online Services.

ARTICLE 3—TERM AND TERMINATION

The following supplements Article 5—Term and Termination of the License Agreement:

3.1 Term of Subscriptions. The term of any subscription will be provided in the Ordering Document under which it is purchased or in the Online Services description referenced therein.

3.2 Subscription Rate Changes. Monthly subscription rates may be increased upon thirty (30) days' notice. Esri may increase rates for subscriptions with a term greater than one (1) month by notifying Licensee at least sixty (60) days prior to expiration of the then-current subscription term.

3.3 Service Interruption. Licensee's access (including access on behalf of Licensee's customers) to and use of Online Service(s) may be temporarily unavailable, without prior notice, for any unanticipated or unscheduled downtime or unavailability of all or any portion of Online Services, including system failure or other events beyond the reasonable control of Esri or its affiliates.

3.4 Service Suspension. Esri and its affiliates shall be entitled, without any liability to Licensee, to suspend access to any portion or all of Online Services at any time on a service-wide basis (a) if Licensee breaches the License Agreement; (b) if Licensee exceeds usage limits and fails to purchase additional license capacity sufficient to support Licensee's continued use of Online Services as described in Article 5 of this Addendum; (c) if there is reason to believe that Licensee's use of Online Service(s) will adversely affect the integrity, functionality, or usability of the Online Service(s); (d) if Esri and its licensors may incur liability by not suspending Licensee's account; (e) for scheduled downtime to conduct maintenance or make modifications to Online Service(s); (f) in the event of a threat or attack on Online Service(s) (including a denial-of-service attack) or other event that may create a risk to the applicable part of Online Services; or (g) in the event that Esri or its affiliates determine that Online Services (or portions thereof) are prohibited by law or otherwise that it is necessary or prudent to do so for legal or regulatory reasons. If feasible under these circumstances, Licensee will be notified of any Service Suspension beforehand and allowed reasonable opportunity to take remedial action.

3.5 Esri is not responsible for any damage, liabilities, losses (including any loss of data or profits), or any other consequences that Licensee or any Licensee customer may incur as a result of any Service Interruption or Service Suspension.

ARTICLE 4—LICENSEE'S CONTENT, FEEDBACK

4.1 Licensee's Content. Licensee is solely responsible for the development, operation, and maintenance of Licensee's Content and for all materials that appear on or in any of Licensee's Content. Licensee retains all right, title, and interest in Licensee's Content. Licensee hereby grants Esri and Esri's licensors a nonexclusive, nontransferable, worldwide right to host, run, and reproduce Licensee's Content solely for the purpose of enabling Licensee's use of Online Services. Without Licensee's permission, Esri will not access, use, or disclose Licensee's Content except as reasonably necessary to support Licensee's use of Online Services, respond to Licensee's requests for customer support, or troubleshoot Licensee's account or for any other purpose authorized by Licensee in writing. If Licensee accesses Online Services with an application provided by a third party, Esri may disclose Licensee's Content to such third party as necessary to enable interoperation between the application, Online Services, and Licensee's Content. Esri may disclose Licensee's Content if required to do so by law or pursuant to the order of a court or other government body, in which case Esri will reasonably attempt to limit the scope of disclosure. It is Licensee's sole responsibility to ensure that Licensee's Content is suitable for use with Online Services and for maintaining regular offline backups using the Online Services export and download capabilities.

4.2 Removal of Licensee's Content. Licensee will provide information and/or other materials related to Licensee's Content as reasonably requested by Esri to verify Licensee's compliance with this License Agreement. Esri may remove or delete any portions of Licensee's Content if there is reason to believe that uploading it to, or using it with, Online Services violates this License Agreement. If reasonable under these circumstances, Esri will notify Licensee before Licensee's Content is removed. Esri will respond to any Digital Millennium Copyright Act take-down notices in accordance with Esri's Copyright Policy, available at http://www.esri.com/legal/dmca_policy.

4.3 Sharing Licensee's Content. Licensee hereby grants to any third parties with whom Licensee elects to share Licensee's Content using Sharing Tools the right and license to use, store, cache, copy, reproduce, (re)distribute, and (re)transmit Licensee's Content through Online Services subject to any terms of use and access restrictions that Licensee provides with Licensee's Content. ESRI IS NOT RESPONSIBLE FOR ANY LOSS, DELETION, MODIFICATION, OR DISCLOSURE OF LICENSEE'S CONTENT RESULTING FROM LICENSEE'S NAMED USERS' MISUSE OF SHARING TOOLS OR ANY OTHER SERVICE COMPONENTS. LICENSEE'S USE OF SHARING TOOLS IS AT LICENSEE'S SOLE RISK.

4.4 Retrieving Licensee's Content upon Termination. Upon termination of the License Agreement or any trial, evaluation, or subscription, Esri will make Licensee's Content available to Licensee for download for a period of thirty (30) days unless Licensee requests a shorter window of availability or Esri is legally prohibited from doing so. Thereafter, Licensee's right to access or use Licensee's Content with Online Services will end, and Esri will have no further obligations to store or return Licensee's Content.

ARTICLE 5—LIMITS ON USE OF ONLINE SERVICES; SERVICE CREDITS

Esri may establish limits on the Online Services available to Licensee. These limits may be controlled through Service Credits. Service Credits are used to measure the consumption of ArcGIS Online services made available through Licensee's account. The maximum Service Credits provided with Licensee's ArcGIS Online account will be addressed in the applicable Ordering Document. Esri will notify Licensee's account administrator when Licensee's Service consumption reaches approximately seventy-five percent (75%) of the Service Credits allocated to Licensee through Licensee's subscription. Esri reserves the right to suspend Licensee's account when consumption reaches one hundred percent (100%) of the Service Credits allocated to Licensee's subscription. Licensee's access to the account will be restored immediately upon the completion of Licensee's purchase transaction for additional Service Credits for the subscription account.

ARTICLE 6—ONLINE CONTENT; THIRD-PARTY CONTENT AND WEBSITES

6.1 Online Content. ArcGIS Online Data is included as a component of Online Services and is licensed under the terms of the License Agreement.

6.2 Third-Party Content and Websites. Online Services and ArcGIS Website may reference or link to third-party websites or enable Licensee to access, view, use, and download third-party Content. This Agreement does not address Licensee's use of third-party Content, and Licensee may be required to agree to different or additional terms in order to use third-party Content. Esri does not control these websites and is not responsible for their operation, content, or availability; Licensee's use of any third-party websites and third-party Content is *as is*, without warranty, and at Licensee's sole risk. The presence of any links or references in Online Services to third-party websites and resources does not imply an endorsement, affiliation, or sponsorship of any kind.

ARTICLE 7—LICENSEE'S WARRANTIES

Licensee warrants that Licensee's Content or use of Online Services with a product, process, or system not supplied by Esri or specified by Esri in its Documentation will not (i) infringe or misappropriate any third-party intellectual property rights or proprietary rights, (ii) violate any third party's privacy rights or any applicable law, or (iii) contain or transmit to a third party any Malicious Code. This Training Agreement ("Agreement") is between you (hereinafter "Client") and **Environmental Systems Research Institute, Inc. ("Esri")**. Client acknowledges that Client has read and understood this Agreement and agrees to be bound by the terms and conditions hereof.

RECITALS

Client wishes to arrange for certain training in the use of GIS software. Esri is willing to conduct training courses and provide related services regarding the use of GIS software pursuant to the terms and conditions contained herein. The parties therefore agree as follows:

ARTICLE 1—TRAINING DESCRIPTION

Esri offers a set of instructor-led training and client coaching services related to the use of its proprietary GIS software. Instructor-led training events occur at a client's site, at an Esri Learning Center, or via the web in a cloud environment. The Esri software training courses offered, their location, the dates during which the courses are to be conducted, the number of participants, the prices to be paid, and registration requirements are set forth in the *Esri Training* catalog located on Esri's Training website (<http://training.esri.com>). All courses are conducted in substantial conformity with course descriptions outlined on the Esri Training website. Esri reserves the right to modify course content when necessary due to software technical capabilities or limitations. Client coaching services may be provided immediately before or immediately following an Esri training course to familiarize the Student with the software or to review and practice course concepts with an instructor's guidance.

ARTICLE 2—ESRI'S RESPONSIBILITIES

- Esri will provide an instructor qualified to conduct the course(s) as well as all necessary training materials sufficient for the number of registered participants (hereinafter "Student(s)") on the scheduled dates. Esri will provide each Student with a course manual, where applicable.
- Esri will confirm Learning Center training event scheduled dates approximately ten (10) business days prior to the training event start date.
- Esri will confirm Client Site scheduled dates upon receipt of the completed Client Site Training Request Form and intended payment method.

ARTICLE 3—CLIENT'S RESPONSIBILITIES

- Client must ensure the protection of Esri's copyrights. Client shall neither copy or distribute nor permit a third party to copy or distribute any of Esri's training material(s).
- Client is not authorized to resell seat(s) to an Esri training event, unless explicitly authorized in writing by Esri.
- Client must ensure that all Students have received confirmation from Esri to participate in an Esri training event. Unregistered Students are not permitted to view or participate in an Online Classroom training event. Esri reserves the right to disconnect any Students who permit access to unregistered Students.
- Client must confirm that all registered Students meet the minimum prerequisites for the applicable training event set forth on Esri's Training website.
- Client must submit registrations with a confirmed payment commitment at least seven (7) business days before the training event start date. If Client submits a registration without a confirmed payment, Esri will not confirm the seat reservation. The reservation will be added to the waiting list pending payment confirmation and subject to availability.
- US government export control laws and regulations prohibit US persons from engaging in transactions with certain denied persons found on various US Government Denied Persons lists (e.g., US Department of the Treasury's Specially Designated Nationals List, US Commerce Department's Denied Persons/Entity List, etc.). To meet these export requirements, Client must submit to the Esri Training Event Assistant a list of the names of Students that are to attend any training event. Client must submit the list of Student names to Esri at least three (3) business days before the training event start date. Any Student that is found on any of the various US Government Denied Persons lists will not be permitted to attend training.

- Client is responsible for all Student travel arrangements. Esri assumes no responsibility for losses from nonrefundable travel arrangements resulting from denial of a Student's participation due to US government export regulation requirements, course scheduling changes, or cancellations.
- Client must provide written notice to Esri's Customer Service department at service@esri.com of any cancellation, rescheduling, or Student substitution requirements and receive confirmation of these change(s) prior to the training event start date.
- Client must complete and submit an Esri Client Site Training Request Form as well as ensure that it adheres to the course, facility, equipment, and Internet bandwidth and connectivity requirements for Esri Training as found at <http://training.esri.com/gateway/index.cfm?fa=classroom.requirements>.
- Students may not use audio and/or video recording equipment within the classroom without prior written approval from Esri. Esri reserves the right to record a classroom training event for future rebroadcast.
- If the Esri Mobile Lab equipment is utilized at Client's domestic site, then the following terms will apply:
 - Upon receipt, Client must immediately report any damage to the Mobile Lab equipment to the Training Event Assistant.
 - Client must keep the Mobile Lab equipment in a secure, locked area between training event sessions.
 - Client must ensure that only registered Students use the Mobile Lab equipment.
 - Client is responsible for any and all loss of, damage to, or theft of the Mobile Lab equipment while in Client's possession.
 - Client warrants that it maintains sufficient insurance coverage to enable it to meet its obligations created by this Agreement and by law.
 - The Esri instructor will check all Mobile Lab equipment following the completion of training. Any damage to the Mobile Lab equipment due to Student use, excluding normal wear and tear, will be brought to the attention of Client by written notice. Client hereby agrees to be financially responsible for any repair or replacement of equipment resulting from such damage.
 - Client shall make the Mobile Lab equipment available for freight pickup immediately on conclusion of the Esri course(s).

ARTICLE 4—UNIQUE CLIENT COACHING PRIVACY TERMS

In the event Client coaching services are to be ordered, the following terms shall apply:

Client shall not provide to Esri or disclose to the instructor any personally identified information ("PII") (e.g., GLBA, HIPAA, CII from the US Department of Homeland Security), classified, and so forth, data for use in the coaching session. Notwithstanding anything in this Agreement to the contrary, Esri retains the right to refuse acceptance of any nonpublic personal information ("NPI") or Customer Information regardless of the form of disclosure. Esri will only accept receipt of information from Client that comports with the exceptions set forth in Subsections 4(B) and 4(C)(ii) of Section 509 of the Gramm-Leach-Bliley Act (P.L. 106-102) (15 U.S.C. Section 6809) and implementing regulations thereof.

ARTICLE 5—SOFTWARE LICENSES

The terms of the Esri license agreement are applicable to all Students and cover all of Esri's software, data, and documentation licensed for use in any training course to be conducted. Esri may issue temporary software licenses for Client Site Training where there are an insufficient number of software licenses available at the Client's training facility. Upon conclusion of the training course or event, the Client must uninstall the temporary software licenses and return to Esri any media provided.

If appropriate notice of cancellation is provided, Client is responsible for any reasonable travel expenses and shipping costs. If a training event is canceled without appropriate notice, client is responsible for the full training event fee.

6.3 If cancellation of a training event is necessary due to Force Majeure, the affected party is released in full from the three (3)-business day notification. The affected party will either reschedule the training or cancel the order without that affected party incurring any liability.

6.4 If Esri is unable to conduct the training on the scheduled date, Esri will notify Client at least three (3) business days before the scheduled date.

ARTICLE 7—PAYMENT

Accepted payment methods are found at <http://training.esri.com/gateway/index.cfm?fa=catalog.paymentdetails>.

If payment is made in the form of a purchase order, Esri shall invoice Client upon completion of each training course or immediately upon receipt of purchase order, as mutually agreed upon with the Client. Client shall make payment no later than forty-five (45) days after receipt of invoice.

If Client is invoiced and pays that invoice prior to the scheduled training event, then Client has one (1) calendar year (twelve [12] consecutive months) from the date of the invoice to consume the training days. For a multiyear order, the training days must be consumed by the end date specified on the Esri quotation. Thereafter, all prepaid fees are forfeited.

ARTICLE 9—WARRANTY

Esri will provide training in a manner consistent with the technical and professional standards of the industry.

9.1 Disclaimer of Warranties. WITH THE EXCEPTION OF THE LIMITED WARRANTY SET FORTH IN THIS ARTICLE, ESRI DISCLAIMS, AND THIS AGREEMENT EXPRESSLY EXCLUDES, ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, ORAL OR WRITTEN, INCLUDING, WITHOUT LIMITATION, ANY AND ALL WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NONINTERFERENCE, AND NONINFRINGEMENT, AS WELL AS ANY WARRANTIES THAT THE DELIVERABLES ARE ERROR FREE.

ARTICLE 10—LIMITATION OF LIABILITY AND EXCLUSIVE REMEDY

EXCEPT FOR INDEMNITY ASSOCIATED WITH CLIENT SITE TRAINING, IN NO EVENT SHALL ESRI BE LIABLE TO CLIENT FOR COSTS OF PROCUREMENT OF SUBSTITUTE GOODS OR TRAINING; LOST PROFITS; LOST SALES; BUSINESS EXPENDITURES; INVESTMENTS; BUSINESS COMMITMENTS; LOSS OF ANY GOODWILL; OR ANY INDIRECT, SPECIAL, EXEMPLARY, CONSEQUENTIAL, OR INCIDENTAL DAMAGES ARISING OUT OF, OR RELATED TO, THIS AGREEMENT, HOWEVER CAUSED OR UNDER ANY THEORY OF LIABILITY, EVEN IF ESRI HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. ESRI'S TOTAL CUMULATIVE LIABILITY HEREUNDER, FROM ALL CAUSES OF ACTION OF ANY KIND, SHALL IN NO EVENT EXCEED THE AMOUNT ACTUALLY PAID BY THE CLIENT FOR THE PORTION OF THE TRAINING UNDER THIS AGREEMENT. THESE LIMITATIONS SHALL APPLY NOTWITHSTANDING ANY FAILURE OF ESSENTIAL PURPOSE OF ANY LIMITED REMEDY.
