Nebraska Information Technology Commission

State Government Council Charter

1. Introduction

The Nebraska Information Resources Cabinet (the “IRC”) was created in January 1996 by Executive Order 96-1. The IRC was re-established as the Government Council of the Nebraska Information Technology Commission (the “Commission”) through Executive Order 97-7 in November 1997. The Commission became a statutory body in Laws 1998, LB 924, and the Commission re-established the State Government Council (the “Council”).

2. Purpose

The purpose of this charter is to clarify the role of the Council and its relationship with the Commission.

3. Authority

Neb. Rev. Stat. § 86-516 provides: “The commission shall: … (7) Establish ad hoc technical advisory groups to study and make recommendations on specific topics, including workgroups to establish, coordinate, and prioritize needs for education, local communities, intergovernmental data communications, and state agencies;…."

4. Commission Mission and Responsibilities

4.1 Commission Mission. The mission of the Nebraska Information Technology Commission is to make the State of Nebraska’s information technology infrastructure more accessible and responsive to the needs of its citizens, regardless of location, while making investments in government, education, health care and other services more efficient and cost effective.

5. Council Mission and Responsibilities

5.1 Council Mission. The mission of the Council is to provide direction and oversight for state government information technology vision, goals and policy.

5.2 Council Responsibilities.

5.2.1 Establish, coordinate, and prioritize technology needs for state agencies;

5.2.2 Review and make recommendations to the Commission on requests for funds
from the Government Technology Collaboration Fund;

5.2.3 Review and make recommendations to the Commission on agency technology projects requesting funding as part of the state budget process;

5.2.4 Assist the Commission in developing, reviewing and updating the statewide technology plan;

5.2.5 Recommend planning and project management procedures for state information technology investments;

5.2.6 Evaluate and act upon opportunities to more efficiently and effectively deliver government services through the use of information technology;

5.2.7 Recommend policies, guidelines, and standards for information technology within state government; and

5.2.8 Such other responsibilities as directed by the Commission.

6. Membership
