ROLL CALL, MEETING NOTICE & OPEN MEETINGS ACT INFORMATION

The Chair, Brenda Decker, called the meeting to order at 1:30 p.m. There were 17 voting members present at the time of roll call. A quorum existed to conduct official business. The meeting notice was posted to the NITC website and the Nebraska Public Meeting Calendar on June 7, 2013. The agenda was posted to the NITC website on July 3, 2013. A copy of the Nebraska Open Meetings Act was located on the podium at the front of the room.

There was no public comment.

APPROVAL OF APRIL 11, 2013 MINUTES*

STANDARDS AND GUIDELINES - RECOMMENDATIONS TO THE NITC TO POST FOR THE 30-DAY COMMENT PERIOD

NITC 4-201: Web Branding and Policy Consistency (Amended)
Suzy Fredrickson arrived at the meeting.

**NITC 5-401**: Active Directory; User Photographs (New)

**Purpose**: Microsoft's Active Directory has an attribute ("thumbnailPhoto") to store a thumbnail portrait photograph of each user. Other applications, including Microsoft Outlook and the Exchange Global Address List, will display these photographs automatically in the context of providing information about the user. This document provides guidance on the use of this feature in the State's shared Active Directory forest.

The question was raised as to whether any testing on network of small offices has been done. Some agencies have had performance issues with photos in the SharePoint environment. There was discussion regarding the technical impact for smaller agencies, as well as the effects an “all” email may have on agencies. The Office of the CIO is currently conducting testing. Ms. Decker stated that a decision did not need to be made at today’s meeting.

**NITC 8-301.01**: Password and Authentication Standard for Public Applications (New)

**Purpose**: Passwords are a primary means to control access to applications. The purpose of this standard is to require all users to create, use, and manage passwords to protect against unauthorized discovery or usage.

Members had technical concerns and needed clarification on the definitions. Members were invited to attend Security Architecture Workgroup meeting.

**Discussion**: Use of Social Media by Nebraska.gov

Brent Hoffman, General Manager, Nebraska Interactive, Inc.

Nebraska.gov has the State’s official twitter feed. Nebraskg.gov would like to begin discussions to explore a social media strategy for the State. Nebraska is known for being genuine and friendly and would like to see the same attributes in social media. The question was raised as to what happens when Nebraska.gov gets an agency specific question. The question is directed back to the agency. After discussion, it was determined that this is a PIO (Public Information Officers) group issue and that they should also be involved in the strategy discussions before the concept is further developed.
AGENCY REPORTS AND OTHER BUSINESS

Ms. Decker informed the Council that the Microsoft contract has been extended for three years.

The Council has had two membership changes since the last meeting:
- Bill Miller with the Supreme Court retired and Jennifer Rasmussen has been hired in his place and will serve as an alternate on the Council.
- Josh Daws has resigned. Secretary of State Gale has appointed Colleen Byelick to serve as his alternate on the Council.

Mr. Becker will be sending out an email with information about the NITC’s 15th Anniversary Celebration, the Security Architecture Workgroup meeting, and the OCIO’s Help Desk Twitter account.

ADJOURNMENT

The next meeting of the NITC State Government Council will be held on September 12, 2013 at 1:30 p.m. in the Lower Lever of the Executive Building, 521 South 14th Street, Lincoln, Nebraska.

Mr. Flanagan moved to adjourn. Mr. Harvey seconded. All were in favor. Motion carried.

Meeting minutes were taken by Lori Lopez Urdiales and reviewed by Rick Becker of the Office of the CIO/NITC.
